OPEN ACCESS MYTHS

" OA **limits author's journal choice** "

" OA **compromises peer review** "

" OA papers/journals are **low impact** "

" OA to cutting edge research is **unnecessary** "

OPEN ACCESS MYTHS

" Green OA (self-archiving) takes **too much time** "

" OA journal publication fees are **paid personally** by authors "

" OA is about **punishing** greedy **publishers** "
