3) Financial support by EUR-OCEANS

The EUR-OCEANS Member Organisations (MOs) will receive financial support for the Final Conference. A fixed amount of money is allocated to each Member Organisation depending on the country.

Country	Amount per individual (euros)	Country	Amount per individual (euros)
Algeria	600	Norway	400
Belgium	250	Poland	400
Chili	1,700	Portugal	400
Denmark	400	Russia	600
Estonia	500	South Africa	1,000
Finland	400	Spain	400
France	400	Sweden	300
Germany	300	Switzerland	400
Greece	400	Tunisia	300
Italy (except Rome)	200	Turkey	700
Latvia	500	Ukraine	600
Morocco	500	United Kingdom	300
Netherlands	350		

Each member organisation will receive **the amount indicated above, multiplied by the total number of PIs + WP/System assistants + PhD/post-doc fellows funded by EUR-OCEANS in the organisation.**

These funds can be spent for travel and accommodation expenses of **any scientist** of the organisation (PIs, but also their colleagues and students).

WP and System Assistants and Leaders will receive twice the amount, to support in addition their participation in the Network Steering Committee meeting in the morning of 25 November.

The funds will be transferred to each member organisation by mid-October 2008, providing at least one person from the member organisation has registered to the Conference.

Examples:

- The institute A, located in Norway, has 2 PIs, 1 PhD student funded by EUR-OCEANS, and 1 post-doc fellow funded by EUR-OCEANS.

If at least one person from the institute A registers to the Conference, this institute will receive 400 euros multiplied by 4 (2+1+1), i.e. 1,600 euros.

The institute A can use the 1,600 euros to cover the participation of 1 or more of its scientists involved in EUR-OCEANS in the Final Conference.

- The institute B, located in the UK, has 2 PIs, among which 1 System Leader, and 1 System Assistant.

If at least one person from the institute B registers to the Conference, this institute will receive 300 euros multiplied by 5 (simple amount for 1 PI, double amount for 1 System Leader, double amount for System Assistant), i.e. 1,500 euros.

The institute B can use the 1,500 euros to cover the participation of 1 person or more in the Final Conference and/or in the NSC meeting.
